WARRANTY DISCLAIMER, LIMITATION OF LIABILITY. Sterigenics makes no warranty, express or implied, other than that it will process the products in conformity with the treatment specifications provided by Customer. In particular, Sterigenics makes no warranty concerning the specific degree of sterility, nor as to the merchantability or fitness for a particular purpose of products after processing by Sterigenics. In the event Sterigenics fails to process the product(s) in accordance with Customer's dosage and treatment specifications, Sterigenics' sole liability to Customer arising out of this Notice Of Intended Delivery ("NOID") for the services provided hereunder shall be limited to a refund (or credit) of the amount which Customer paid to Sterigenics for processing services for the specific product or shipment of products, giving rise to such damages. Under no circumstances shall Sterigenics be liable for any costs of replacement of products, procurement of substitute processing or processing services, or for any other special, consequential, incidental, or indirect damages, loss, or expense (including, without limitation, lost profits) relating to or arising out of this NOID, whether the claim is based on contract, tort or any other theory of law or equity, even if Sterigenics has been advised, or is otherwise aware, of the possibility of such loss, damage, or expense. Customer agrees that the prices set forth herein (purchase order, or signed processing agreement, if applicable) are based upon Customer's acceptance of the provisions set forth herein, including the limitations of liability stated herein, and Customer will maintain appropriate insurance against the risk of such losses, damages and expenses. Notwithstanding anything herein to the contrary, in the event that Customer has an existing processing agreement with Sterigenics and any of the terms of the processing agreement and this NOID conflict, the terms and conditions of the processing agreement shall control and take precedence.
